The Ramón Pané Foundation takes its name from one of the greatest figures in the evangelization of America. It was founded in 1994 in honor and memory of Ramón Pané, considered the first catechist and evangelizer of America. FRP is an international group of Catholics who want to help all the dioceses, the Episcopal Conferences and Catholic ecclesial movements in their catechetical, missionary and spiritual training. Its main office is in the Archdiocese of Tegucigalpa, Honduras and has an office in the Archdiocese of Miami, USA. Anyone wishing information about our mission and work can write to: emailme@fundacionpane.org.

Pastoral Bible Foundation and Claretian Publications are part of “Claret Publishing Group”. CPG is a pastoral endeavor of the Claretian Missionaries. It aims to promote a renewed spirituality rooted in the Word of God and the living tradition of the Church in response to the needs, challenges and pastoral demands of today.

Biblica provides God's Word in multiple languages so people can enter into a relationship with Jesus Christ and grow in him. We work in Africa, East Asia Pacific, Europe, Latin America, Middle East/North Africa, North America, and South Asia. We translate and publish the Bible in the top 100 major spoken languages in the world and are the translation sponsor and worldwide publisher of the New International Version® (NIV®) Bible, the most widely used contemporary English translation in the world.

PONTIFICIUM CONSILIUM
PRO FAMILIA

“The Word of God is the source of life and spirituality for the family. All pastoral work on behalf of the family must allow people to be interiorly fashioned and formed as **members of the domestic church through the Church’s prayerful reading of Sacred Scripture.** **The Word of God is not only good news in a person’s private life but also a criterion of judgment and a light in discerning** the various challenges that married couples and families encounter.”
(Relatio Synodi 34)

With deep joy I encourage each family to remember that the Word of God is a source of life, unity and renewal.

This special edition of the New Testament, structured to have an overview of the life of Jesus and the early Christian communities, includes all the books of the New Testament according to the narratives of the four Evangelists. Also there we find helps for the exercise of Lectio Divina in support of the family, designed to strengthen the identity of the nucleus in which values are forged and members educated to virtue.

The Pontifical Council for the Family thanks the Ramón Pané Foundation for this work in several languages, with the blessing of Pope Francis.

For my part I ask God to bless this project and all the members of the families who read and put into practice the teachings of Jesus in the New Testament.
